THE CHALLENGE

Bimbo Edmonton operated using manual scheduling without a dedicated scheduler which burdened supervisors, hindering visibility and causing:

- **Limited Employee Insight:** Schedules and changes were unclear for employees.
- **Backfilling Issues:** Difficulty filling vacant roles promptly.
- **Scheduling Grievances:** Potential for disputes in a unionized environment.

HOW INDEAVOR HELPS

Indeavor's automated scheduling system addressed these issues:

- **Data & Transparency:** Centralized system provides full visibility into schedules and reports for all employees.
- **Improved Visibility:** Sharing labor across departments is transparent for everyone.
- **Time & Cost Savings:** Elimination of paper-based processes saves 50+ hours weekly on scheduling.
- **Compliance:** Automatic adherence to overtime and union rules ensures compliant schedules, minimizing fines.

BENEFITS

Improved Transparency.

Reduced Operational Costs.

Enhanced Compliance.
